BEFORE AND AFTER SCHOOL ACTIVITIES

As you are looking for activities for your children to participate in before and after school, I just wanted to give you a “heads-up” about where to look for activities that are happening at Bear Creek, and which ones are Bear Creek and BVSD sponsored.

*Starting today in Bear Tracks, you will see opportunities for your children to participate in school sponsored clubs such as intramural sports, jump rope, Spotlights, and drumming club. Bear Creek clubs are supervised by Bear Creek staff.

*Lifelong Learning, which is part of BVSD’s Community Schools Program runs many wonderful activities for students in schools across the district. If you go to their web-page you can find great kid classes, many of which will happen right at our school! Lifelong Learning will send you mail alerts of activities that are happening at Bear Creek. You can sign up for classes at any location, but parents have found it particularly accommodating when classes happen right at Bear Creek. This fall at Bear Creek Lifelong Learning will offer at Bear Creek such things as chess, basketball, Spanish classes, and Lego building.

*Finally, please check the Community Board in our front hallway where other activities that are not sponsored by the school or Lifelong Learning can be posted. Oftentimes these activities happen at Bear Creek, as groups can rent some of our spaces after school.

LOST and FOUND

The lost and found is located at the end of the hallway by the gym between the inside and outside doors.

September Thrive Update.

Parent Engagement Network announces its annual kick-off, which will be on Sept. 19 from 6:30-8:30 p.m. at Fairview High School.
Volunteering is a great way to meet new people or, like I did, learn about the American school system. Are you devoted to make our world greener, or do you care deeply about our children’s physical health? Do you love books or cooking delicious meals? Bear Creek PTO has a wonderful “team” of volunteers that truly make a difference. Please join our community and sign up today at www.helpatschool.org

Did you know the PTO budget relies heavily on our Grocery Gift Card program? One third of our revenue comes from your usage of the King Soopers and Lucky’s Cards. (Soon we will start with Alfalfas Cards). If you don’t have a card you can always buy* a new one from Carolyn in the office or from the PTO table by the flagpole on Walk/Bike to School Day.

Welcome to our next PTO meeting, October 10th at 1:30pm in the fishbowl. All parents are invited to attend.

*The card costs $5, but is also loaded with $5.

Bear Creek Learning Garden

What's happening in the garden? We have been feverishly harvesting with the students between busy schedules and rain...here are some highlights!

3rd Grade: Harvested and prepared onion, Swiss chard, carrots, celery and herbs for the stone soup! We also made basil pesto and everyone got to take some home!
PTO Hospitality Presents:
Classroom Sponsored Teacher Appreciation Snacks

Two Wednesdays a month classroom parents will sponsor "Appreciation Snacks" for the Bear Creek teachers and staff to express thanks for their hard work. Starting with the 5th grade, September 6th, Mrs. Ewing's class parents will kick it off. Each classroom will have their chance during the school year to participate.

Each Job requires (3) parents from the specified classroom to provide yummy snacks on behalf of the entire classroom for approximately 15 (total of 45) teachers and staff. Snacks are dropped off before 8:30 on the specified Wednesday to the Teacher's Lounge at Bear Creek. At the end of the day you collect your empty containers at pick up. It's so easy!

Some items that have been a hit in the past include bagels, lox and cream cheese, egg dishes, assorted fruit and fruit salads, veggie salads and trays, and of course the sweet stuff. Please visit https://helpatschool.org to sign up. Thank you in advance for your participation!

All dates are Wednesdays, here's the schedule:

October 4, Mrs. Kidder’s class
October 18, Mrs. Hawk’s class
November 1, Mrs. Ellis’s class
November 15, Mrs. Wilmers’ class

Library News

We had a great visit with author/illustrator Jose Lucio on Friday, September 15th. He shared his picture books, explained his writing and illustrating process and gave students a drawing lesson on creating great characters. Thank you to Mrs. Wright for organizing this fun and informative event.

Mark your calendars: We will be hosting a Scholastic book fair on Oct. 17th-19th in the fish bowl. The fair will be open from 8:00-8:45 and 2:45-7 on Tues and Thurs. (during evening parent/teacher conferences) and 8:00-8:45 and 2:45-5 on Weds. This event is a huge fundraiser for the library. Last year we earned almost $4000 in Scholastic credit for library and classroom books and supplies. If you can’t make it to the fair, you can also shop online, and Bear Creek will still get credit. Online shopping is available 10/17-10/24. If you order online, books will be shipped after the 24th. Thanks so much for supporting the book fair!!

2017 Fun Run

Dear Bear Creek Community,

On Friday, October 6th, we will have our Fun Run from 2:15 to 3:00. The Fun run will be for all students and will start and finish on the Bear Creek field, however we will also be running off campus. I have recruited a bunch of parent helpers to ensure that our students are safe and are staying on the course. We will not be running on any streets, only the sidewalks surrounding our Bear Creek Campus and across the bridge into Bear Creek park. We will also be running through the halls at Bear Creek, (Don’t tell Mr. Cruger). Family and friends are invited to run along with your students. The course will be a 1 mile run. This event is designed to bring our community together for a fun event and to promote happiness and a healthy lifestyle. Parents interested in watching or running in the event should be at school by 2:10. All students will come to the field at this time and grade levels will be sent out in waves every 5 minutes.

The running order will be:

- 3rd grade at 2:20
- kindergarten and 1st grade at 2:25
- 2nd grade at 2:30
- 4th grade at 2:35
- 5th grade at 2:40

These start times are approximate and could vary by a few minutes.

Bring-A-Bike to School Day

Fall is in the air and the elves are starting to work!

Friday Oct. 20th- ½ hour before first bell!

Share-A-Gift will once again be collecting gently used bikes for our Toy Shop. Bear Creek has been a generous supporter of this program for years. It is a great way to recycle used bicycles and help make another child’s Holiday special. Share A Gift volunteers will be at your school early (before school drop off) to help unload your bikes. Bikes are our most popular gift giveaway.

A Taste of BVSD

2017 Elementary Iron Chef Competition
Saturday, October 28th 10:00am – 3:00pm
Louisville Middle School

“Healthy After School Snacks”

Fifteen groups of 2-4 students in grades K-5 will be able to show off their culinary skills in this year’s competition. The dishes will be judged by BVSD’s Chef Ann Cooper and a team of District Managers. They will be judged on taste, creativity, and appearance. Entry forms with recipes must be submitted to stephen.menyhart@bvsd.org by Friday, October 6th to decide on the finalists. (We understand that your recipe may change slightly as the competition approaches, but we will use your initial recipe entries to decide on the finalists.) The list of finalists will be emailed out by Wednesday, Oct. 11th.

The healthy after school snack must include:

- A fruit or vegetable component (or both)
- A protein component (cream cheese, yogurt, nut or sunflower seed butter, meat, or cheese)
- A grain-based component (cracker, bagel, pita, pasta, rice, bread, or other item)

Details:
- Equipment Provided: cutting boards, chef knife, paring knives, butter knives, spoons, bowls, and plates.
- You will have access to an oven if you need to do any quick cooking of items, but many teams do no cooking at all. You will only have 30 minutes to prepare your item before judging begins, so plan for this.
- Stock ingredients will be available for use at the event. These ingredients will all be displayed at the table at the front of the room, and will be available for use by all teams. You can also pick two other special/magical ingredients not on this list that we will provide for you at the event if your team is selected.

Important Documents are attached to this email:

- A flyer with information on the competition
- The blank entry form for this year’s contest
- A list of the stock ingredients we will have available for use at the event.

BVSD is working to improve air quality in our schools

Last year, BVSD began a long term initiative to collect indoor air quality data across the district to identify where we can make changes to improve it. Recognizing the proven role of good indoor air quality for student performance and health, BVSD hopes this work will have significant benefits for students and staff. There are a couple of ways parents are asked get involved and help with this effort:

Provide information about reasons for absenteeism
In addition to collecting data from school sites, we want to understand how air quality may be affecting student health and absenteeism. Beginning this school year, when parents call in to report a health-related absence from school, they will be asked to identify the nature of the illness. Learn more.

Join the District-wide Air Quality Team
The district is creating an Indoor Air Quality Team to work with us on this initiative. The team will include BVSD principals, teachers, parents and community members. Once convened, the team will determine meeting times and schedule. Applications are due September 9. Follow these links for more information and the application.

For more information about the air quality initiative, go to: bvsd.org/airquality.

Student accident insurance 2016-2017

Low-cost student accident insurance is again being offered by Markel this year. They have changed their enrollment method from paper to electronic and will not be providing print outs to schools to distribute to students. Attached is a PDF of their enrollment information. This information is also available on the district website at http://www.bvsd.org/employees/AthleticsActivities/Athletic%20Insurance%20Information/Forms/AllItems.aspx.

Healthy Kids Initiative
Another possible option for parents whose students need health insurance is the Boulder County Healthy Kids Initiative which helps families enroll in Child Health Plan Plus (CHP+) and Medicaid. CHP+ and Medicaid are free and low-cost health insurance plans that provide dental, medical, prescription, mental health, and vision benefits. There are no monthly premiums, and co-pays range from $0 - $15 depending on family income. CHP+ has higher income eligibility limits than many public assistance programs, so many working families can qualify. Assets are not considered when determining eligibility for these programs. Some families who have not previously qualified may be able to qualify now due to new income guidelines.

Eligibility specialists are available to serve families at all BVSD schools. Call 720-515-1454 today to talk with a specialist or to make an appointment!

More information is available on the district website at http://www.bvsd.org/healthykids. A link to this page is on the front page of the district site: Go to www.bvsd.org and click the Healthy Kids Initiative logo at the bottom of the page.
