**Neighborhood Kindergarten Enrollment** - BVSD has now begun enrollment for neighborhood students for the 2022-2023 school year. Please encourage friends and neighbors of kindergartners to do the same. We will begin compiling a list and working on our class sizes in anticipation of teacher allotments so the sooner you register the better.

The process for enrollment is as follows: go to the BVSD home page and click on the pull down option "Parents" Then click on the "Enrollment" selection and look for the blue link named "K-12 Neighborhood Registration" in the center of the page. If you are unsure whether or not you are a neighborhood family, use the "School Finder" tool to verify. Please be careful to click on the "Enroll" link and not the "Open Enroll" link as that will place your registration into the wrong department. **Also, make sure to choose the correct year as both this school year and next are enrollment options!!** Please have the following documentation on hand as you begin the enrollment process. You will be asked to upload the documentation into the application.

- Proof of Birth Date (via Birth Certificate or Passport)
- Copy of student's immunization record
- Proof of residency (copy of lease or utility bill such as Excel, Water or Garbage Disposal)

Please be sure to utilize the "Resources link" at the bottom of the page or if you have any questions about the process, please feel free to call Carolyn (720-561-3500). **\*\*The BVSD website is experiencing difficulties; please continue to try. If you access their temporary website ([bvsd.org](https://bvsd.org) through Google), look under "Quick Links" for Online Registration.**

---

**Parent Dish Pickup** - There are some dishes and bags left over from the cookie exchange before Winter Break in the foyer to be picked up. Thank you again for spoiling us!!

---

**Idling While Waiting** - Idling and the resulting air pollution is an issue that is dealt with at many BVSD schools. This is a gentle reminder to parents to please turn off their ignition while waiting to pick up their student.

---

**School Age Care (SAC)** is currently looking to fill a part-time staff position at Bear Creek. The position is from 2:15 to 6:00 pm, and applicants must be at least 16 years of age. If you are or anyone you know is interested please apply at [jobs.bvsd.org](https://jobs.bvsd.org)

SAC will also be offering a full day Adventure Camp on next month's Professional Development Day. To sign-up please visit <https://childcare.bvsd.org/sac/sac-adventure-camps>. Registration for the Adventure Camp closes on January 31st.

---

**MOBILE COVID TESTING** - Mobile COVID testing will resume at Bear Creek on Tuesday, January 18th. Here's the link to the COVID [calendar](#).

**COVID Vaccines for Students** - BVSD is encouraging all eligible students to get vaccinated and voluntarily share that information with their school, but vaccination and sharing are not required. The information is used during contact tracing, since in most cases vaccinated individuals need not quarantine. If you choose share your student's COVID vaccination record, please send a copy of the vaccine card to [sunyoung.hendrick@bvsd.org](mailto:sunyoung.hendrick@bvsd.org).

---

**PTO January Meeting:** Please join us virtually for our monthly PTO meeting next Tuesday, January 11th, from 3:30-5pm. All parents are welcome to participate. We'll be hearing from Mr. Dayhoff for the principal's report, briefly discussing the budget, and proposing a community outreach/support idea for those impacted by the Marshall Fires.

Lastly, here is the Zoom info for the meeting:

### **Winter Weather -**

The weather is changing and it finally feels like winter in Colorado, and it's important for students to come to school with clothing appropriate for the weather. We send children outside in the cold and snow, unless it's a blizzard! Please prepare all of your child's winter gear by labeling each garment, and making sure they can put gear on independently.
